Policy (AML)**

Of

**Rajendra Modi Share Brokers
Private Limited.**

Anti Money Laundering Policy

The Government of India has serious concerns over money laundering activities which are not only illegal but anti-national as well. As a market participant it is evident that strict and vigilant tracking of all transactions of suspicious nature is required.

Pursuant to the recommendations made by the Financial Action Task Force on anti-money laundering standards, SEBI had issued the Guidelines on Anti Money Laundering Standards vide their notification No.ISD/CIR/RR/AML/1/06 dated 18th January 2006 and vide letter No.ISD/CIR/RR/AML/2/06 dated 20th March 2006 had issued the obligations of the intermediaries registered under Section 12 of SEBI Act, 1992. As per these SEBI guidelines, all intermediaries have been advised to ensure that proper policy frameworks are put in place as per the Guidelines on Anti Money Laundering Standards notified by SEBI. Further, updated with recent master circular reference **SEBI/ HO/ MIRSD/ DOS3/ CIR/ P/ 2018/ 104 July 04, 2018 and SEBI/HO/MIRSD/DOP/CIR/P/2019/113 dated October 15, 2019.**

- **Money Laundering**

Money Laundering can be defined as engaging in financial transactions that involve income derived from criminal activity, transactions designed to conceal the true origin of criminally derived proceeds and appears to have been received through legitimate sources/origins.

This is done in three phases – Placement Phase, Layering Phase & Integration Phase.

- **Prevention of Money Laundering Act, 2002**

Prevention of Money Laundering Act, 2002 (PMLA 2002) forms the core of the legal framework put in place by India to combat money laundering. PMLA 2002 and the Rules notified there under came into force with effect from July 1, 2005.

The PMLA 2002 and Rules notified there under impose an obligation on intermediaries (including stock brokers and Authorised Person) to verify identity of clients, maintain records and furnish information to the Financial Intelligence Unit (FIU) – INDIA

- **Financial Intelligence Unit (FIU) – INDIA**

The Government of India set up Financial Intelligence Unit-India (FIU-IND) on November 18, 2004 as an independent body to report directly to the Economic Intelligence Council (EIC) headed by the Finance Minister.

FIU-IND has been established as the central national agency responsible for receiving, processing, analyzing and disseminating information relating to suspect financial transactions. FIU-IND is also responsible for coordinating and stretching efforts of national and international intelligence and enforcement agencies in pursuing the global efforts against money laundering and related crimes.

Accordingly the Company has laid down following policy guidelines to prevent money laundering and shall put in place a frame-work to report cash and suspicious transactions to FIU as per the guidelines of PMLA Rules, 2002. This policy is applicable to Employees and Authorized Person (AP).

Designated Director For PMLA Mr. Rajendra Modi, is appointed as the Designated Director for PMLA

Principal Officer: Mr. Rajendra Modi is appointed as the Principal Officer. He will be responsible for implementation of internal controls & procedures for identifying and reporting any suspicious transaction or activity to the concerned authorities.

Rajendra Modi Share Brokers Private Limited.

Purpose & Scope: As a Financial Market Intermediary we need to maintain a record of all the transactions; the nature and value of which has been prescribed in the Rules under the PMLA. Accordingly, all the back office, DP and trading staff are instructed to observe the safeguards to prevent and identify any money laundering or terrorist financing activities.

- No Cash transactions for trading in securities shall be allowed from any client in the normal course of business.
- Maintain a record of all the transactions; the nature and value of which has been prescribed in the Rules notified under the PMLA. Such transactions include:
- Cash transactions of the value of more than Rs 10 lakhs or its equivalent in foreign currency.
- All series of cash transactions integrally connected to each other which have been valued below Rs 10 lakhs or its equivalent in foreign currency where such series of transactions take place within one calendar month.
- All suspicious transactions whether or not made in cash.

Some of these suggested measures may not be applicable to every circumstance or to each department, Branch / Authorize person. However, each entity should consider carefully the specific nature of its business, type of customer and transaction to satisfy itself that the measures taken by the employees are adequate and appropriate to follow the spirit of these guidelines.

Policies & Procedures:

1) Customer Due Diligence Process (CDD)

It will also look at geographical location of office client, nature and volume of transaction and mode of payment the client and will keep into account the sanctions of United Nations Security Council. Resolution such assessment shall be in writing and documented and made available to competent authority and exchanges.

Monitoring Of Transactions

Rajendra Modi Share Brokers Private Limited.

- Scrutinize unusually large transactions like, clients having traded in scrip/shares of a company for a quantity of 20,000 or more in a single day and volume in that scrip of that client is 25% or more of the total volume in that scrip of the Exchange.
- Check trade log for indication of negotiated trades (if any)
- Check previous trading pattern of the clients in that particular scrip.
- Scrutinize bulk deal transactions by sample check. A 'bulk' deal constitutes transaction in a scrip (on each Exchange) where total quantity of shares bought/sold is more than 0.5% of the number of equity shares of the company listed on the Exchange
- Select randomly few clients and pick their few transactions and scrutinize to check whether they are of suspicious nature or not.
- If substantial increase in turnover in a dormant account is found, should be brought into the notice of the senior management. Review balances and trading in the dormant accounts. Be vigilant on the movement of credit balances of the dormant account.
- Analysis is carried out by RMT to identify clients with huge and regular losses and are still placing trades/orders. Identify the Sources of funds in such cases.
- Analysis be also carried out in respect of disproportionate profit/ loss booked by a client trading in "F&O" segment vis-à-vis the value of the contract in illiquid scrips/ derivatives
- Suspicious transactions to include 'transactions integrally connected' as well as 'transactions remotely connected or related'

Parameters for analyzing the transactions:

On a periodic basis we track turnover of high risk client and ascertain whether the same matches with the financial status of the client. Moreover, analyze whether there is commensurate fund movement, whether the payments are being made, in cheque and from the bank account(s) of the clients registered with Rajendra Modi Share Brokers Pvt. Ltd. etc. To the extent possible, obtain the latest Income Tax return of the client to ascertain the financial capacity of the client.

Matched trades (where the buy and sell clients are with the same broker)

On a daily basis identify the matched trades (where the buy and sell orders are from same/different branches of Rajendra Modi Share Brokers Pvt. Ltd. in B1, B2 & group and penny stocks). Further analyze whether the client are indulging in any sort of manipulation like shifting of profits from one account to another, creating artificial volumes, circular trading, indulging in price manipulation, shifting the beneficial ownership of shares, etc.

- Analysis of trades in illiquid stocks on regular basis and analyze the trades done in penny stocks. This will help us in identifying whether the client is indulging in any sort of manipulation like creation of artificial volume, artificial price movement, circular trading, etc.

- Client concentration in particular scrip or select scrips

On a periodic basis, ascertain whether any client is concentrating on any particular scrip, especially illiquid and penny stocks. This will help in identifying whether the client is indulging in any sort of manipulation like creation of artificial volume, artificial price movement, circular trading, etc. or is having insider information.

- Analysis of trades in illiquid counter (illiquidity can be with reference to the average volume in the scrip over the last 3 months below a particular level)

A daily analysis of the client's volume with respect to the total traded volume at the exchange has to be done. (TTQ analysis). This will help in identifying whether the client is indulging in any sort of manipulation like creation of artificial volume, artificial price movement, circular trading, etc.

- Trades shifted from one client to another within the same broker

On a daily basis, analyze the details of trade shifted from one client to another, either during the market hours or after the market hours. This will help us in identifying whether the client is trying to hide his identity, indulging in profit/loss transfer, availing exposure while in debit

balance, etc.

- Analysis of NRI/Foreign clients/institutional trades especially w.r.t. payment patterns

Undertake a periodic analysis of the trades executed by NRI/Foreign clients/institutional clients. It should be supplemented by analysis of the payment patterns, trading patterns, etc.

With respect to the institutions, analyze all the cancelled trades and DVP trades to see whether the institutional code is being misused. In such cases, also ascertain who the ultimate beneficiary of the trades.

- Analysis of client payments in DD, Pay order, cash etc.

Undertake a periodic analysis of all the payments received from client by way of DD/Pay order. This will help in ascertaining whether any client's DD/ Pay Orders have been purchased against "Cash" or might whether any client is making third party payments. The third party payments can relate to employees also.

- Employees/Authorised Person account trades

Need to analyze the trades undertaken in the employees or Authorised Person's own trading account. It is possible that the employees/Authorised Persons might be accepting cash from the clients and execute the trades in their account. Similarly, it is possible that the profit on trades of the clients being shifted to the employees/Authorised Person's accounts.

- Frequent change in client details like bank account, demat account, address, etc

A monthly analysis of changes in the client details has to be undertaken to identify the clients who are making frequent changes whether the client trying to hide or confuse his identity.

- **Role of Channel Partner Team**

Monitoring Of Proprietary Transactions of Channel Partner:

- Check for high volume in proprietary account of channel partner / Authorize person and his/her relations.
- Scrutinize Demat account of channel partner / Authorised Person (if DP account is with Rajendra Modi Share Brokers Pvt. Ltd. DP)
- List all off market transfers and if in doubt seek explanation from concerned Channel partner separately
- Check for third party funds (cheque received from bank accounts other than mapped bank accounts and demand drafts / pay orders)

- **Policy of New Recruitment**

- The recruitment officer in hiring new employees should have adequate screening procedure in place to ensure high standards in hiring new employees.
- Bona fides of employees are checked to ensure that the employees do not have any link with terrorist or other anti-social organizations.
